Fernie Regional Landfill Closure Plan

- *Prepared a Closure Plan for the Fernie Landfill – 25 years in operation.*
- *Assessed hydrogeological setting.*
- *Addressed landfill settlement, designed a clay final cover barrier to MoWLAP standards, provided surface water management plan, addressed landfill gas generation and collection and provided input to suitable end use options, including a golf course resort.*
- *Provided specifications for final cover design.*
- *Project completed on a very tight 90 day timeline.*
